### EPITOMISING THE TERROIR DO MONTSANT - DO TERRA ALTA

This is a family of wines, made up of two red wines made under the auspices of the DO Montsant and two white wines made under the auspices of the DO Terra Alta. This range of wines represents the essence of the Terroir of each of the wine appellations (DO). These wines have been designed to be easy to drink and easy on the wallet! We could define them as great wines of Grenache, made at just the right moment of ripeness, giving them silky tannins, making them fruity, refreshing and defined by a certain amount of minerality.
